Notice of Availability - Draft Environmental Impact Statement – Supplement 1.0 for Lower Mud River at Milton, West Virginia, Milton Local Protection Project

SUMMARY: In accordance with the requirements of the National Environmental Policy Act (NEPA), the U.S. Army Corps of Engineers (USACE), Huntington District has prepared this Limited Reevaluation Report and Environmental Impact Statement (EIS) – Supplement 1.0. This report focuses on providing flood protection for the City of Milton, Cabell County, West Virginia against flooding such as occurred in December 1978, March 1997, and February 2003. In accordance with the requirements of NEPA, the potential impacts to the natural, physical, and human environment associated with proposed flood damage reduction measures for the City of Milton (Milton Local Protection Project) are evaluated.

Copies of the document may be obtained by contacting USACE Huntington District Office of the Corps of Engineers at 304-529-5712. Comments pertaining to the documents should be directed by letter to the following address, by **September 30, 2003**.

S. Michael Worley, Chief
